

A Presentation to COVID-19 Mitigation and Management Task Force

PROTECT THE PACK!

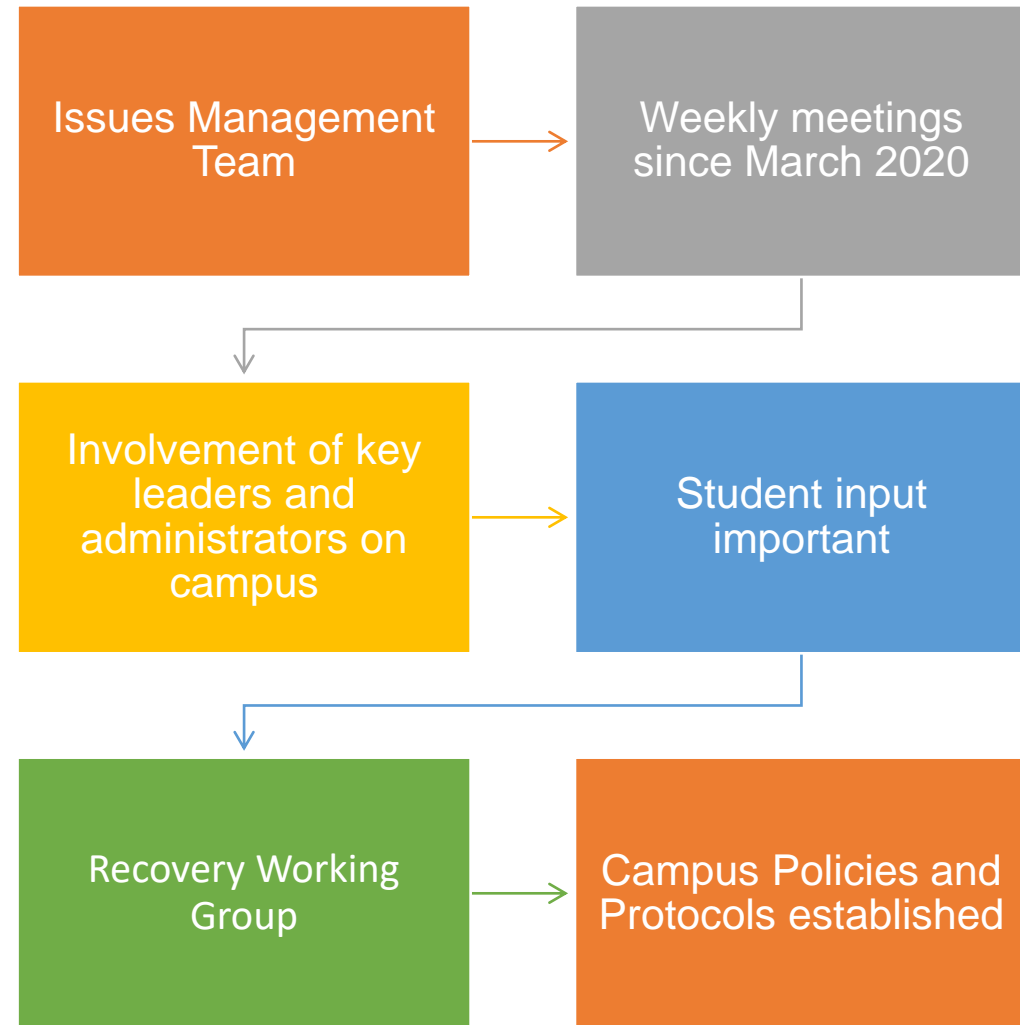

Cheryl Hug-English, M.D. | Director, Student Health Center | October 29, 2020

University of Nevada, Reno

Reopening Plan

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Detailed Plan Components

- Mandatory online COVID-19 training modules for students, faculty and staff
- Mandatory facial coverings
- Social distancing
- Emphasis on good hand hygiene

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Decreased Density of Campus

- Followed state and county guidelines with no groups over 25
- Classrooms with six foot social distancing (use of “Pack Paws”)
- 75% of classes done by remote learning
- 4% in person classes
- 21% “Hyflex Model”
- No in person classes with more than 17
- No outside events scheduled for campus

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Academic Instruction

- Five Instructional Modalities
- Faculty prepared to teach in person as well as remotely
- Training for faculty on teaching remotely and “Hyflex”
- Increased time between classes
- Strategies for entering and exiting buildings to decrease density
- Added internet capabilities for other parts of campus...Lawlor
- Tutoring Resources for students (remote and in person)

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Facilities

- Cleaning and disinfecting buildings and classrooms
- Hand sanitizers for each classroom
- Increased air filtration to buildings
- Signage about mandatory facial coverings and social distancing
- Feather flags, light pole banners, sandwich boards
- Wash your Paws Signs
- Wolf Paw floor decals
- Social Distancing circles
- Stay “Paws-itive”

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Residence Halls

- No more than 50 residents per floor
- Move-in and out protocols with social distancing
- Group study rooms closed
- Cleaning and disinfecting protocols
- Identified sick rooms
- Identified residence hall for isolation and quarantine
- Food delivery and daily check in for those in quarantine
- Virtual game nights, trivia nights and wellness programs

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Dining

- Grab and Go options
- Socially distanced tables
- Limited seating
- Socially distanced lines
- Staff monitoring

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Marketing and Communications

- Developed Coronavirus Website <https://www.unr.edu/coronavirus>
- Created COVID-19 positive case report form
- Multiple message modalities: campus emails, townhalls, social media, Facebook Live and Instagram Live
- Over 100 different messages to campus community
- Over 350 responses to media inquiries and over 50 press releases
- More than a dozen creative campaigns and videos to reach students
- Created "COVID-19 Stories" to share research, services, and volunteering done by students, faculty and staff

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Athletics

- Comprehensive protocols for athletes
- Strict training and practice policies
- Frequent testing
- Quarantine and isolation plans

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Off Campus

- Communications and outreach to neighboring apartment complexes
- Increased surveillance of surrounding campus areas
- Communication to sororities and fraternities
- Anonymous reporting form for noncompliance
- Student Conduct process

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Student Health Center Testing

- Daily PCR testing for students, faculty, and staff by appointment only
- Online COVID screening form completed before testing
- Testing occurs outside in the front of our clinic
- Results reported from Nevada State Public Health lab
- Student Health center staff contact each positive case tested at SHC
- Work closely with WCHD for further contact tracing

PROTECT THE PACK!

Resources and Support

- Student resiliency
- Staying connected in a socially distanced way
- Student virtual events
- Well Being Resources
- Peer Education Programs
- Isolation Care Bags
- Live Well Web Site

— LET'S PULL TOGETHER TO —
PROTECT THE PACK!

Additional Mitigation Strategies

- Closure of the Gym three weeks ago
- Remote learning after Fall Break (Thanksgiving)
- Residence Hall students will move out at Fall Break (Thanksgiving) unless extenuating circumstances
- Starting spring semester a week later
- No spring break
